- If the time left until the use-by date is less than 70% (calculated from the date of manufacture). Inscriptions on the packaging and labels of foodstuffs concerning their date of manufacture, storage period and use-by date must comply with the universally accepted chronology;
- If foodstuffs are manufactured using genetically modified organisms (GMOs); and
- If products or alcoholic beverages contain more than 18% ethyl alcohol (finished products, polystyrene, "Tetrapak" packaging).

TURKMENISTAN (*continued*)**Restrictions:**

Sound recordings as literature for the blind are only acceptable if these are sent by, or addressed to, an officially recognized institute for the blind.

Import licences:

The onus is on the sender to ensure that where an import/export licence is required, this is obtained before despatching the goods.

Gift parcels:

Small quantities of certain articles may be imported provided they are intended for the personal use of the addressee. Exact address should be indicated. Gift parcels may not contain perishable food, foodstuffs in hermetically sealed or glass containers, spirits, cloth cuttings, thread, or watches.

Packing:

Parcels must be strongly packed in a manner adequate for the length of the journey and for the protection of the contents.
