

5.17 REPLY COUPONS

SCOPE OF SERVICE

International reply coupons are exchangeable at Post Office abroad for postage stamps and thus enable the sender of a letter to a place abroad to prepay a reply.

These coupons may be purchased at any post office for HK\$14, and are exchangeable in any foreign country of the Universal Postal Union for one or more postage stamps representing the minimum postage prepayable on an unregistered priority item or an unregistered letter sent abroad by air. Coupons received from other countries may be exchanged at any post office in Hong Kong for postage stamps, prepayment impressions or postal stationery at a surrender value of HK\$3.
